You can write about your action in the article before the ActionEmail tags. This is the place to outline the reasons for the actions, suggested modifications to the default text to personalize the message, and any other information pertinent to the action.

Feel free to try the form out. During this testing phase, the e-mail that is sent will be sent TO you and it will look like it came FROM the MP that is chosen.

{ActionEmail subject="I am deeply concerned about THIS"}Dear RECIPIENTNAME:

The upcoming vote in the House of Commons regarding THIS concerns me because:

1. REASON NUMBER 1
2. REASON NUMBER 2
3. REASON NUMBER 3

Please give this issue your utmost attention in the upcoming days.

Sincerely,  
SENDERNAME
